PRINCIPALS REPORT

SCHOOL PERFORMANCE

As we wrap up Week 5 at Glenroy Public School, the students and staff are finalising their preparations for the school production on Wednesday and Thursday next week. There will be four performances, which include two matinees and two evening shows. I would like to stress upon all parents and caregivers that it is crucial for all students to attend all performances. Each class has made huge efforts to create spectacular presentations and they rely on all students to take part in each session. Please ensure your children are at school on both Wednesday and Thursday next week and are at school for the evening performances. The evening shows should be finished by approximately 8pm.
NAPLAN RESULTS
NAPLAN results have been sent home this week. If you have a child currently in Years 3 or 5, you should have received a blue and white envelope with these. If you have any queries about these results, please make an appointment to see your classroom teachers.

SCHOOL CAMP
It is nearly time for our Primary camps. We ask all parents and caregivers to ensure your children’s medical forms and permission notes are submitted to your classroom teacher. Without these, your child will not be permitted to attend. Payment for the camps are now due. Please make sure you have sent full payments in to school. School camps are cherished times for all students. These events are those that students remember for their entire lives. If you have any queries or concerns about the camp, please make an appointment to see your classroom teacher as soon as possible.
