Attendance

Parents of children from Kindergarten to Year 12 must ensure their children attend school every day. On occasion, your child may need to be absent from school. Justified reasons for student absences may include:

- being sick or having an infectious disease
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
- exceptional or urgent family circumstances e.g. attending a funeral.

Parents must provide an explanation for absences to the school within 7 days from the first day of any period of absence. Where an explanation has not been received within the 7-day timeframe, the school will record the absence as unjustified on the student's record.

Echidnas	Emus	Bilbies	Cockatoos	Dingoes	Hibiscus	Indigo	Jacaranda	Kangaroo Paw	School

There are some amazing results for the weeks attendance. Five classes were over 90% with Emus scoring an amazingly high percentage of 98.61%. Well done!

Mother's Day

The P&C held their annual Mother's Day stall. Last year due to COVID-19 restrictions we were unable to hold the stall and we really appreciate the fact that we are able to go ahead with it again this year. On behalf of all the staff at Glenroy Public School I want to wish all the Mothers a very happy Mother's Day.

NAPLAN 2021

Over the next two weeks students in Year 3 and Year 5 will be undertaking their NAPLAN testing. NAPLAN is made up of tests in the four areas (or 'domains') of:

- Reading
- Writing
- Language conventions (spelling, grammar and punctuation)
- Numeracy

P&C Meeting

On Wednesday 19th May 2021 at 6.30pm the P&C will be holding their next meeting. Everyone is welcome and it is a great way to support the school and gain a deeper understanding of what is occurring.

RADIO GROUP

On Wednesday 5th May our school Radio Group visited the studios of 107.3FM in North Albury.

We were able to use all sorts of studio equipment, including the audio mixer, microphones, cd players and other items.

In Radio Group we have been taught names of items and what they are used for. When we went to the 107.3REM we learnt how to work real radio sets with computers as well.
